

Loan Conditions

The following loan conditions apply to all objects and to travelling exhibitions involving objects belonging to the four collections of the Museum of Design Zurich and to the archive of Zurich University of the Arts (ZHdK):

1 Facility Report

The borrowing institution is required to submit a facility report so that compliance with the conditions specified below under point 2 can be reviewed.

2 Storage Conditions

Stable climate, with temperatures ranging between 19° and 22° Celsius

Relative humidity: between 50% and 55%

Light : 50 Lux: Synthetics, leather, paper, textiles, photographic copies

80 Lux: Posters

150 Lux: Glass, wood, ceramics, metal

The lending institution reserve the right to bar objects from loan for conservation reasons.

3 Periods required for Processing Loan Applications from Date of Receipt to the definitive Selection of Objects

4 months single objects, Switzerland

4 months single objects, abroad

4 to 6 months travelling exhibitions

4 Duration of exhibition

Max. 4 months

5 Costs

Loans are charged according to the time and effort required by museum staff to prepare objects for shipping. The Museum of Design Zurich and the ZHdK Archive will arrange for appropriate insurance to be taken out.
